PARKING LOT AND BUS LOOP SAFETY PROCEDURES

Welcome back to another fantastic year at Frazeyburg Elementary. Rules and procedures are important to make school a fun place where your children feel safe and welcome. To accomplish that goal, the following procedures are in place:

- All visitors must check in at the front desk.
- The children say good-bye in the cafeteria and walk to class independently.
- Families can meet their boys and girls in the foyer or outside after school.
- Students must have a note to make a change to their regular dismissal routine. Your child will be sent home his/her regular way unless a note with alternate instructions has been sent in to the teacher.

Families who drive their children to school and want to “drop them off” need to use the Parent Drop Off/Pick up Loop at the east side of the building. No private vehicles should be in the bus loop in the morning (8:30-9:30) or after school (3:10 to 4:00). We have four regular buses, and we also have a preschool shuttle bus that arrives later in the mornings and leaves earlier in the afternoons.

Students are not allowed to be dropped off in the front parking lot to have them walk across the bus drive alone. Some families do park in the front lot and walk their children into the building to send them off to class. That means there cars are continually pulling in and out of the front lot, and it would not be safe to send a child unescorted to the school.

The Parent Pick-Up bell rings at 3:25. Students wait in the hallway between the art and music rooms for the duty teacher to call them outside. As drivers, you need to line up in a circle, pull up as close as you can to the front of the circle, and allow your child/ children to load from the passenger’s side. There are usually around 100 students picked up by their families, and it takes everyone to make the system work. Taking turns, patience, and kindness will all help get all of the boys and girls picked up quickly and safely.

If you drive and you don’t want to get in the Parent Pick-Up Loop, you need to park and walk to the front of the building to meet your child. We call this “Parking Walkers.” The boys and girls will not be allowed to walk out the front door to come to meet you at your car in the parking lot. You need to come to them. **These students are dismissed at the 3:30 bell.**

The Walker Bell rings at 3:30. Students who walk to school need to use the sidewalk on the north side of the building. This allows them to safely walk up the hill, by the old elementary building, and walk down State Street to cross at the traffic light, if that is their route home. NO walkers will be allowed to exit the building through the front doors. Parents who walk their children to and from school should meet them at the back doors. Siblings who want to wait for one another can meet at the “Waiting Table” in the cafeteria.

The Bus Bell rings at 3:35. Students line up in the cafeteria at the front doors and are escorted out to load the buses.

Please make sure that you are on time to pick up your child/children. If a true emergency does arise, call the office to let us know that you are running late. Thank you for your cooperation. Working together, we can make sure everyone gets to and from school safely!
