Tri-Valley Youth Sports Program

Coach West (Head Football Coach) and Coach McLoughlin (Head Basketball Coach) decided to work together since many kids will want to participate at both camps. They want to make it easier on parents during the summer months due to scheduling vacations and other activities.

The camps will be a split session arrangement. Grades 2nd-5th will participate in football camp in the morning and basketball camp in the afternoon. Grades 6-8 will participate in basketball camp in the morning and football camp in the afternoon. Campers can participate in both camps or choose only one. All campers will have a 30 minute break in between camps for lunch.
